

One Voice for Laos is a volunteer organization of Hudson Valley citizens dedicated to helping the children of the Deak Kum Pa Orphanage lead healthier and more productive lives. The group relies on local teens to provide much of the leadership necessary to meet its ambitious goals.

More specifically, *Loop for Laos* is a 5K run fundraising project that we hope will inspire

awareness, health and wellness, and increased community participation, while simultaneously raising funds for 600 orphans in need. Towards that end, we have created a route through Woodstock, approximately five kilometers long, starting at the Woodstock Youth Center – and are inviting you to participate.
